Global Peace Pioneers – Peace Leadership Program

Program Option 01 week 1 months 06 month diploma course

Learn about Peace Leadership Tools and Techniques

Audience

This course is designed for the people destined to be peace cultivators and for the individuals with responsibilities and interest for peace.

Objectives

Provide a focus for training & research in context with peace, leadership and governance, with a view to developing the skills of students and practitioners to understand the concept of unity & co-existence for sustainable development.

To enable participants to use these concepts to analyze processes of peace-building, including their own practices and skill-sets as peace-builders, understand the relationship between peace, unity, justice, equality, at interpersonal, intergroup, and global levels.

Its **Mission** is to provide a forum for debate, training and research which actively promote peace, good governance and responsible leadership to meet the challenges being faced.
